STANDARD FORM 114-C
MARCH 1960 EDITION
PRESCRIBED BY GENERAL
SERVICES ADMINISTRATION
REGULATION 1-IV-302.00

SALE OF GOVERNMENT PROPERTY GENERAL SALE TERMS AND CONDITIONS

1. **INSPECTION.** The Bidder is invited, urged, and cautioned to inspect the property to be sold prior to submitting a bid. Property will be available for inspection at the places and times specified in the Invitation. In no case will failure to inspect constitute grounds for the withdrawal of a bid after opening.

2. **CONDITION AND LOCATION OF PROPERTY.** Unless otherwise specifically provided in the Invitation, all property listed therein is offered for sale "as is" and "where is." If it is provided therein that the Government shall load, then "where is" means f.o.b. conveyance at the point specified in the Invitation. The description is based on the best available information. However, the Government makes no warranty, express or implied, as to quantity, kind, character, quality, weight, size, or description of any of the property, or its fitness for any use or purpose. Except as provided in Conditions No. 8 and 10, no request for adjustment in price or for rescission of the sale will be considered. This is not a sale by sample.

3. **CONSIDERATION OF BIDS.** The Bidder agrees that his bid will not be withdrawn within the period of time specified for the acceptance thereof following the opening of bids (sixty (60) calendar days if no period be specified by the Government or by the Bidder but not less than ten (10) calendar days in any case) and that during such period his bid will remain firm and irrevocable. The Government reserves the right to reject any or all bids, to waive any technical defects in bids, and, unless otherwise specified by the Government or by the Bidder, to accept any one item or group of items in the bid, as may be in the best interest of the Government. Unless the Invitation otherwise provides, bids may be submitted on any or all items. However, unless the Invitation otherwise provides, a bid covering any listed item must be submitted on the basis of the unit specified for that item and must cover the total number of units designated for that item. In case of error in the extension of prices, unit prices will govern.

4. **PAYMENT.** The Purchaser agrees to pay for property awarded to him in accordance with the prices quoted in his bid. Payment of the full purchase price, subject to any adjustment pursuant to Condition No. 8, must be made within the time specified for removal and prior to delivery of any of the property. In the event, however, any adjustment is made pursuant to Condition No. 8, then payment must be completed immediately subsequent to such adjustment. The balance of the purchase price after applying the total bid deposit made by the Purchaser under the Invitation or otherwise the full purchase price shall be paid to the Contracting Officer in cash or by certified check, cashier's check, traveler's check, bank draft, or postal or express money order, made payable to the Treasurer of the United States (or, if so specified in the Invitation made payable either to the Government agency conducting the sale or directed by that agency). The Government reserves the right to apply any bid deposit made under the Invitation by a Bidder against any amounts due to the Government under a contract awarded to him thereunder. In those instances where the total sum becoming due to the Government from the Purchaser on a contract awarded to him under the Invitation is less than the total amount deposited with his bid, the difference will be promptly refunded to him. Also, deposits accompanying bids which are not accepted will be promptly returned to him.

5. **TITLE.** Unless otherwise specified in the Invitation, title to the items of property sold hereunder shall vest in the Purchaser as and when full and final payment is made, except that if the Invitation provides that loading will be performed by the Government, title shall not vest until such payment and loading are completed. On all motor vehicles and motor-propelled or motor-drawn equipment requiring licensing, a certificate of release, Standard Form 97 (or a State certificate of title if such a certificate of title has been issued to the Government), will be furnished for each vehicle and piece of equipment.

6. **DELIVERY AND REMOVAL OF PROPERTY.** Unless otherwise specified in the Invitation, the Purchaser shall be entitled to obtain the property upon vesting of title of the property in him. Delivery shall be made at the designated location, and the Purchaser shall remove the property at his expense within the period of time originally specified in the Invitation or within such additional time as may be allowed by the Contracting Officer. The Purchaser shall reimburse the Government for any damage to Government property caused by the removal operations of the Purchaser. If the Purchaser is permitted by the Government to remove the property after the expiration of the period prescribed or allowed for removal, the Government, without limiting any other rights which it may have, may require Purchaser to pay a reasonable storage charge.

7. **DEFAULT.** If, after the award, the Purchaser breaches the contract by failing to make payment as required by Condition No. 4, or by failing to remove the property as required by Condition No. 6, then the Government may send the Purchaser a fifteen-day written notice of default (calculated from date of mailing), and upon Purchaser's failure to cure such default within that period (or such further period as the Contracting Officer may allow), the Purchaser shall lose all the right, title and interest which he might otherwise have acquired in and to the property as to which a default has occurred. The Purchaser agrees that in the event he fails to pay for the property or remove the same within the prescribed time, the Government at its election and upon notice of default shall be entitled to retain (or collect) as liquidated damages a sum equal to 20% of the purchase price of the item (or items) as to which the default has occurred. Whenever the Government exercises this election, it shall specifically apprise the Purchaser either in its original notice of default (or in separate subsequently written notice) that upon the expiration of the period prescribed for curing the default the formula amount will be retained (or collected) by the Government as liquidated damages. The maximum sum, moreover, which may be recovered by the Government as damages for failure of the Purchaser to remove the property and pay for the same shall be such formula amount. If the Purchaser otherwise fails in the performance of his obligations thereunder, the Government may exercise such rights and may pursue such remedies as are provided by law or under the contract.

8. **ADJUSTMENT FOR VARIATION IN QUANTITY OR WEIGHT.** When property is sold on a "unit price" basis, the Government reserves the right to vary the quantity or weight delivered by 10% from the quantity or weight listed in the Invitation; and the Purchaser agrees to accept delivery of any quantity or weight within these limits. The purchase price will be adjusted upwards or downwards in accordance with the unit price and on the basis of the quantity or weight actually delivered. No adjustment for variation will be made where property is sold on a "price for the lot" basis.

9. **WEIGHING.** Where weighing is necessary to determine the exact purchase price hereunder, the Purchaser shall arrange for and pay all expenses of weighing material (unless Government scales are available on the premises). All switching charges shall be paid by the Purchaser. When removal is by truck, weighing shall be under the supervision of the Government and at its option on: (a) Government scales, (b) certified scales, or (c) other scales acceptable to both parties. When removal is by rail, weighing shall be on railroad track scales, or by other means acceptable to the railroad for freight purposes. Government-approved weighing shall establish the exact purchase price and govern the making of full payment thereon.

10. **RISK OF LOSS.** (1) After mailing notice of award, and prior to passage of title to the Purchaser, the Government will be responsible for the care and protection of the property and any loss, damage, or destruction occurring during such period will be adjusted by the Contracting Officer. (2) After passage of title to the Purchaser, and prior to the date specified for removal, the Government shall be responsible only for the exercise of reasonable care for the protection of the property. (3) After passage of title and after the date specified for removal of the property, or any extension approved in writing by the Contracting Officer, all risk of loss, damage, or destruction from any cause whatsoever shall be borne by the Purchaser.

11. **LIMITATION ON GOVERNMENT'S LIABILITY.** Except for transportation charges when a return of property at Government cost is authorized by the Government, the measure of the Government's liability in any case where liability of the Government to the Purchaser has been established shall not exceed refund of such portion of the purchase price as the Government may have received.

12. **ORAL STATEMENTS AND MODIFICATIONS.** Any oral statement or representation by any representative of the Government, changing or supplementing this contract or any Condition thereof, is unauthorized and shall confer no right upon the Purchaser.

13. **COVENANT AGAINST CONTINGENT FEES.** Purchaser warrants that no person or agency has been employed or retained to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial agencies maintained by the Purchaser for the purpose of doing business. For breach of this warranty, the Government shall have the right to annul this contract without liability or at its option, to recover from the Purchaser the amount of such commission, percentage, brokerage, or contingent fee, in addition to the consideration herein set forth.

14. **OFFICIALS NOT TO BENEFIT.** No Member of or Delegate to Congress or Resident Commissioner shall be admitted to any share or part of this contract or to any benefit that may arise therefrom, unless it be made with a corporation for its general benefit.

15. **DISPUTES.** Except as otherwise provided in this contract, any dispute concerning a question of fact arising under this contract which is not disposed of by agreement shall be decided by the Contracting Officer, who shall reduce his decision to writing and mail or otherwise furnish a copy thereof to the Purchaser. The decision of the Contracting Officer shall be final and conclusive unless, within thirty (30) days from the date of receipt of such copy, the Purchaser mails or otherwise furnishes to the Contracting Officer a written appeal addressed to the Secretary. The decision of the Secretary or his duly authorized representative for the determination of such appeals shall be final and conclusive unless determined to have been fraudulent, or capricious, or arbitrary, or so grossly erroneous as necessarily to imply bad faith, or not supported by substantial evidence. In connection with any appeal proceeding under this clause, the Purchaser shall be afforded an opportunity to be heard and to offer evidence in support of his appeal. Pending final decision of a dispute hereunder, the Purchaser shall proceed diligently with the performance of the contract and in accordance with the Contracting Officer's decision.
